

Cromwell Group Endurance GB

Committee Meeting

Virtual Meeting via Zoom Meetings

8th June 2020 ~ 8pm

Minutes

1. Apologies

Alison Taylor

2. Minutes of Previous Meeting

Approved.

3. Matters Arising

None.

4. Treasurer's Report

£3079.00

5. Future Events

-Keysoe Endurance

All organising for this is still underway, at the moment we are still able to go ahead however this is subject to change depending on how EGB proceed with the end of the season. Most things are organised the rest needs to be done once the ride is confirmed to go ahead.

-Pleasure rides

We are still looking to run the pleasure ride on August bank holiday weekend, also looking to run some more throughout the rest of the year however waiting on rules and regulations being determined through EGB and more information will be available when we have it.

Looking at throwing out the possibility of a virtual ride to encourage people back into training and getting people prepared for what's left of the season. It would be a good idea to allow people to know that they are not training on their own and to encourage them to track distances of training to win awards. This is being looked into and information will be made available on the website.

-Training

One on One training events are being discussed and looked into, all information will be on the website when we have it. The current ones have been postponed by 2

weeks however should now be able to run on there new dates. These are private schooling sessions in either, flatwork, pole work or jump work.

Past Events

Webinars

These ran smoothly as far as we can tell, we had good attendance and good feedback.

6. Any other business

-Webinars

Looking into running some more online sessions, all information will be on the website as soon as we have it.

-Continuation of rules

Keeping an eye on the EGB rules and information coming from the BEF as they are ever changing at the moment.

-Extending the season?

Going to look into the possibility of this with all the ride time that has been missed.

-Winter training programme

Looking at running a programme very similar to last year with monthly training sessions. More will be confirmed nearer the time.

-Seminars 2021

Hoping to be able to run these as normal next year however as it stands at the moment they may have to continue online even into the new year.

7. Date of Next Meeting

Monday 6th July 2020.
