5. Future Events

-Three shires way

At the moment is cancelled looking at possibly rearranging it to later in the year.

-Keysoe Endurance

All under control at the moment, still plenty to organise but planning will continue as usual unless we here otherwise.

-Keysoe PR

The possibility of this is being looked into.

-Inter-regionals

Had plenty of interest before the lockdown period. However, this may be one of the first rides back so a lot will depend on whether horses are ready to come back in at that level.

-Training events

Looking into organising these ready for when the ride suspension is lifted.

-pole work clinic

All being rescheduled for later in the year.

Past Events

-BAM awards

All went well, no complaints that we know of. The venue at Keysoe Cafe was easily accessible and the food and price was acceptable.

6. Any other business

-Website Update

Vanessa will update this ongoing and has a prompt list to help her.

A template will be made for ride organisers to allow all the relevant information to be easily transferred onto the website. The template will be added to the website under events to allow all event organisers to access and download it.
